 For you
Comfort, autonomy and gain of time

No more distribution hassle: digital vouchers are loaded directly on the Edenred card.

 For your employees
1000x more possibilities

Your employees always have their vouchers on them and pay the exact amount for their purchases. They manage their account with a much **greater autonomy** (checking their balance, their transactions, etc.).

They also have **access to many more shops** with their card, and can use it with their smartphone thanks to **Google Pay** and **Apple Pay**.
